January 7, 1974

SENATOR MARVEL: Do you have a copy of this form that I am about to read?

CLERK: Yes.

SENATOR MARVEL: I think that this will probably clear up everything that has been done so far, and then if some of the introducers object we can go from there. May I read this report and see if this agrees with some of the motions that have been made? The following Final Reading bills should remain bracketed for specific amendments yet to be prepared by the introducer. This includes LB17, 17a and Senator Schmit has already talked about 77 and 77a. 94 is Senator Stull's or somebody mentioned 94. 228-228a and 254a. Now if it is in order and it doesn't conflict with what has been done, I move that those bills as read and as on the Clerk's desk be bracketed, pending specific amendments to be prepared by the introducers.

PRESIDENT: Are there any objections to the motion? Hearing none, so ordered. Thank you Senator Marvel.

SENATOR MARVEL: Now, may I read the second portion, Vince are you with me?

CLERK: Yes sir.

SENATOR MARVEL: The following Final Reading bills should remain bracketed until the companion bill is correct. That is 43, 306 and 506. So I would another motion would be made to bracket those three bills Mr. President.

PRESIDENT: Are there objections? Once again hearing none it is so ordered. Those three are bracketed. All right now Vince you should have on your desk a motions for specific amendments, lets see 43a, 162, 162a, 306a and 506a, right? Are you following this sheet?

CLERK: Yes, yes, Senator I do.

SENATOR MARVEL: OK, now the motion will have to be made to bring those bills back for specific amendments on Select File. Right? If you will just go down this sheet that you have up there, there are five bills and they need specific amendment so the motion will have to be made to return those to select file. Then we add specific amendments. OK, I so move that those three bills be moved back to select file for specific amendment. 43a, 162-162a, 306a and 506a.

PRESIDENT: That was 306a and 506a?

SENATOR MARVEL: Yes, Vince has a copy of that sheet up there.

PRESIDENT: Thank you, I am flying blind at the moment here. But I have 43a, 162-162a, 306a and 506a.

SENATOR MARVEL: You are not flying blind, that is correct.

PRESIDENT: We have to take them one at a time Senator, we can't bring them back all at once, so...

CLERK: First motion Mr. President, I move to return LB43a to Select File for specific amendment. (read amendment)

SENATOR MARVEL: OK, I so move.
